The De-Balling of America

By Evan Keliher

Paperback. Condition: New. 204 pages. Men of America, arise! Stand tall like real men everywhere. Strike a blow for machismo, respect, and honor. Look like a real man even if you aren't one by being duplicitous, cunning, and deceitful. Beware the de-ballers with their sharp scissors! Adopt a swagger, wear macho clothes, smoke cigars, grow a beard, sign up with the Hells Angels, practice spitting. Say never to N. O. W. and their sensitivity crap. Remember, your balls are terrible things to waste! De-Balling will show you how to be a real man with little or no effort on your part. It's all about imagery, what you look like is more important than what you are so be something you aren't. Adopt a sinister look, sneer a lot, get tattooed, sit with your back to the wall, snarl, get yourself a Harley and join the Hells Angels. Wear lots of leather, big boots, and an attitude. Learn to fistfight. Work construction. People will believe whatever you tell them so lie every chance you get. De-Balling of America is a satire on the nation's vanishing machismo, what happened to it and what you can do about it. The first part shows who and...

An extremely wonderful pdf with perfect and lucid information. Better than never, though I am quite late in starting reading this one. I realized this publication from my dad and I recommended this publication to understand.
