Random House USA Inc, United States, 1997. Paperback. Condition: New. Vintage Intl. Language: English . Brand New Book. The Facts is an unconventional autobiography. Roth concentrates on five episodes from his life: his secure city childhood in the 1930s and 40s; his education in American life at a conventional college; his passionate entanglement, as an ambitious young man, with the angriest person he ever met (the girl of my dreams Roth calls her); his clash, as a fledgling writer, with a Jewish establishment outraged by Goodbye, Columbus ; and his discovery, in the excesses of the sixties, of an unmined side to his talent that led him to write Portnoy s Complaint. The book concludes, in true Rothian fashion, with a sustained assault by the novelist against his proficiencies as an autobiographer.
