Golem Books, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.A Mother s Steps: A Meditation on Silence is the novelist Mark Jay Mirsky s attempt to understand the life of a mother who was reluctant to tell him any details about her family or herself. Concealing much of her strong affection for her son, she began to reveal it after learning that she was dangerously ill. The book tries to un-riddle the silence that Ruth S. A Mother s Steps describes the process of a son piecing together a narrative of his mother s life to understand her. He began with the extensive photographic albums his mother kept from the age...
