Reviews

Excellent electronic book and helpful one. It usually does not cost a lot of. I am quickly will get a pleasure of reading through a written publication.

(Bernardo Feeney Jr.)

HORMIGUEROS (INSIDE ANTHILLS)

PowerKids Press, United States, 2015. Paperback. Book Condition: New. 211 x 211 mm. Language: English, Spanish. Brand New Book. A healthy, thriving life begins at home. What kind of home that is depends on who or what you're talking about. This text takes readers inside an ant nest, inviting them to explore the network of tunnels and chambers these amazing architects construct. The text's information-rich content supports elementary science curricula, allowing readers to identify the relationship between an ant's home and their social behavior, food-finding techniques, and general survival. Detailed photographs, helpful diagrams, and interesting fact boxes supplement the text's informative yet engaging subject matter.
