Lulu.com, United States, 2005. Paperback. Book Condition: New. 220 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.We are told up front that this is not a man-bashing book. Rather, Women Are From Earth, Men Are From Uranus is a fresh and humorous look at the very real differences that separate men and women. This thought and laugh-provoking book is based on the author's observations of and interactions with the Uranian species. Examining such issues as Selective Hearing, Selective Memory and Why Men Need Daycare, you just might find yourself recognizing the Uranian behavior in your own man. Hopefully by reading Women Are From Earth! in some small way the two genders might be able to co-habitate just a bit more harmoniously through the acknowledgement that men and women are indeed from two different planets and through the understanding that we truly do not speak the same language.
