

Statistics without Tears: An Introduction for Non-Mathematicians (Paperback)

By Derek Rowntree

Penguin Books Ltd, United Kingdom, 1999. Paperback.
Condition: New. Repr.. Language: English . Brand New Book. This book is written for anyone who needs or wants to know how statistics work. It assumes no expert knowledge, and teaches through words and diagrams rather than through figures, formulae and equations - providing the perfect approach for the non-mathematical reader. Written as a tutorial in print , Derek Rowntree includes questions in his argument; readers can answer them as they go, enabling them to measure their performance and judge how far they have mastered the subject.
