cfz. Paperback. Condition: New. 136 pages. Dimensions: 9.1in. x 6.1in. x 0.4in. Although much has been written in recent years about the mystery big cats which have been reported stalking Westcountry moorlands, little has been written on the subject of the smaller British mystery carnivores. This unique book redresses the balance and examines the current status in the Westcountry of three species thought to be extinct: the Wildcat, the Pine Marten and the Polecat, finding that the truth is far more exciting than the currently held scientific dogma. This book also uncovers evidence suggesting that even more exotic species of small mammal may lurk hitherto unsuspected in the countryside of Devon, Cornwall, Somerset and Dorset. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
