One of the world's leading sociologists and most quoted intellectuals in America today, Amitai Etzioni has been the subject of numerous profiles in all the major media and has worked both with members of the Clinton Administration and Republican senators on social issues and policy. Now, in this important new book, he invites us to explore how a good society should operate and what values we must bring to our social interactions if we are to achieve stronger and more enduring community ties. As Etzioni has found in his years devoted to researching and studying the subject, the problem facing society today is that half the population is wary of order and morality, while the other half is suspicious of liberty, which is equated with permissiveness. Using this framework, Etzioni studies the implications for the future of diversity in America, the implications for educating the next generation, and our relationships with other societies. He also explores the public policy implications of his observations and how governments, community groups and families can respond...
