Brand New Book ***** Print on Demand *****.Just as Jackie and I were preparing ourselves and our mom to go to Michigan, I got the call at work. It was my older sister Connie. She was crying. The hospital in Ann Arbor had done more tests on Patty, and they found a malignant tumor in her esophagus. The doctors decided that it would be no use to try radiation on her. The cancer in her brain was moving rapidly; there was nothing left to do. The doctors gave her a week to live. Pamela Gomez s life took a shocking and unexpected turn when her loving and good-natured sister Patty, also known as Dreama Kay, was diagnosed with a malignant form of cancer. Pam reflects on her sister s life and recalls some of her favorite memories of Patty and those closest to her-her family. She also expresses the heartache, acceptance, and transformation she and her family endured after Patty s passing and shows that, although it was sometimes difficult, their lives were not restrained by her death. The stories and memories shared will leave you laughing one minute and crying the next. Dreama Kay is a true story of hope and healing. Pick up this poignant and heartfelt memoir today and delve into Pam s emotional story of love, loss, and letting go.
