DRAWING BY STEALTH: JOHN TRUMBULL AND THE CREEK INDIANS (PAPERBACK)

[DOWNLOAD](#)

NewSouth Books, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In this provocative essay, the authors explore how John Trumbull, famed painter of the American Revolutionary War period, came to make sketches of five Creek Indian leaders in New York in 1790. They also argue that one of the Indian chiefs has been misidentified and show that Trumbull's own notes and inscriptions point to the correct name. By chance, Trumbull was painting George Washington's portrait for the City of New York when a delegation of Creeks arrived to sign the Treaty of New York. Finding himself in the company of the Creeks, the artist seized the opportunity to draw them. While *Drawing By Stealth* tells the history of these iconic drawings of American Indians, it also provides details about the clothing and ornaments depicted and corrects a popular -- but erroneous -- theory that one of the images is of the leader of the Creek delegation to New York, Alexander McGillivray.
