Filesize: 5.64 MB

Reviews

Very beneficial to all category of folks. We have study and that i am sure that i will planning to go through yet again again in the future. Its been printed in an extremely straightforward way in fact it is just soon after i finished reading this pdf where actually changed me, alter the way i really believe.
(Emmett Mann)

THE LIFE OF JOHN CALVIN (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from The Life of John Calvin The history of the life of Calvin, and of the times in which he lived, should be familiar to every protestant, and especially to those who venerate the man, and admire the theological system which he so ably defended. The odium which some would unjustly cast upon his name and memory, should excite us to cherish both with increased attachment. The pious and candid among his cotemporaries, and among his immediate successors in life, appreciated his worth, and delighted to honour him. The good loved him - the wicked hated, because they feared him. He was the Hercules of the Reformation, a distinguished and commanding leader among the hosts of the Lord, a brilliant ornament of his age, and of the church of Christ. Violent opposition to religious opinions, is easily transferred to those who hold them, or are distinguished by an able defence of them. So it has fared with Calvin, and, for the most part, with those who are called by his name; at whose charge the weightiest accusations are not unfrequently laid by those who are at war with the doctrinal sentiments, and therefore, the character of this great Reformer. But the ablest defence which either can receive, is a fair exposition of both. It has therefore been thought desirable to furnish such an exposition, in a form, and at a price, suited to the habits and the means of all. Calvin s Commentary on the Epistle to the Romans has just been published with this view. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
