As some authors dream into the history of their town or city, Jacob Martin sought to reestablish the comforts of his childhood by moving back to the street where he grew up. Lost in life, newly divorced, and separated from his three young kids, Jacob is driven to write a book worth remembering, as a way of giving his life a new lasting purpose and meaning. Finding himself at a standstill on the novel, a lonely recluse during the holidays, Jacob manages to connect with an attractive woman, and befriend an older man from his distant past, an author like himself. As Jacob soon discovers, nostalgia can be a healthy distraction, or it can be the noose by which one hangs. CAROL FOR A HAUNTED MAN is the tale of a daunted man s will to succeed in the face of despair, inspired by, and in homage to, the Christmas stories of Charles Dickens.
