Mind in Everyday Life and Cognitive Science (Hardback)

By Sunny Y. Auyang

MIT Press Ltd, United States, 2001. Hardback. Condition: New. New.. Language: English . Brand New Book. Sunny Auyang tackles what she calls the large pictures of the human mind, exploring the relevance of cognitive science findings to everyday mental life. Auyang proposes a model of an open mind emerging from the self-organization of infrastructures, which she opposes to prevalent models that treat mind as a disembodied brain or computer, subject to the control of external agents such as neuroscientists and programmers. Although cognitive science has obtained abundant data on neural and computational processes, it barely explains such ordinary experiences as recognizing faces, feeling pain, or remembering the past. In this book Sunny Auyang tackles what she calls the large pictures of the human mind, exploring the relevance of cognitive science findings to everyday mental life. Auyang proposes a model of an open mind emerging from the self-organization of infrastructures, which she opposes to prevalent models that treat mind as a disembodied brain or computer, subject to the control of external agents such as neuroscientists and programmers. Her model consists of three parts: (1) the open mind of our conscious life; (2) mind s infrastructure, the unconscious processes studied by cognitive science;...
