In Arithmetic Willie can add, subtract, multiply and divide numbers up to 100. She has studied weights and measures, first concretely and then abstractly, and has a very good idea of fractions. By means of a clock with raised figures, given her by her devoted friend, Mr. Whiting, she has become expert at telling time., Zoology. Willie is much interested in the study of animals, and when examining them goes into minutest details. The method pursued is to give her the animal (alive or stuffed) to feel of, and have her tell all she can discover about it; then, after a few days study and talk on the subject with the teacher, to have her represent the animal in clay, and, a day or two afterwards, write down what she has learned. Generally her account is interesting and comparatively...
