The Art of Natural Building: Design, Construction, Resources (Paperback)

By -

New Society Publishers, United States, 2015. Paperback.

Condition: New. Revised Edition. Language: English . Brand

New Book. The popularity of natural building has grown by

leaps and bounds, spurred by a grassroots desire for housing

that is healthy, affordable, and environmentally responsible.

While there are many books available on specific methods such

as straw-bale construction, cob, or timber framing, there are

few resources which introduce the reader to the entire scope of

this burgeoning field. Fully revised and updated, The Art of

Natural Building is the complete and user-friendly introduction

to natural building for everyone from the do-it-yourselfer to

architects and designers. This collection of articles from over

fifty leaders in the field is now stunningly illustrated with over

two-hundred full-color photographs of natural buildings from

around the world. Learn about: * The case for building with

natural materials, from the perspectives of sustainability,

lifestyle, and health * What you need to know to plan and

design your own beautiful and efficient natural home *

Explanations of thirty versatile materials and techniques, with

resources on where to go for further information on each *

How these techniques are being used to address housing crises

around the world. Clearly written, logically...
