

## The Art of Soldering for Jewellery Makers: Techniques and Projects

---

By Wing Mun Devenney

Search Press Ltd. Paperback. Book Condition: new. BRAND NEW, The Art of Soldering for Jewellery Makers: Techniques and Projects, Wing Mun Devenney, The art of soldering - permanently joining metal components with a torch and solder - is seen as a challenge by many crafters. But this book makes it an easy-to-learn technique for creating beautiful jewellery projects. The book features clear instructions for jewellers of all levels, from the hobbyist to the experienced maker who is looking to expand their soldering skills. It includes pre- and post-soldering techniques, safety procedures, essential equipment and materials required, along with tips and tricks of the trade from leading jewellers. Plus fifteen inspiring step-by-step jewellery projects, including rings, necklaces, chains, earrings, bangles, and more.

### Reviews

*This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).*

-- **Prof. Kirk Cruickshank DDS**

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.*
