Cambridge Scholars Publishing, United Kingdom, 2014. Hardback. Book Condition: New. 1st Unabridged. 208 x 155 mm. Language: English . Brand New Book. In these constantly challenging times, business practices that were once considered successful, applicable and rewarding are questioned by the implications of increased globalization. National, regional and international market crises have raised the barriers for a necessary implementation of practices related, but not limited, to ethics and governance. In this spirit, this book tackles a potential and desirable way of reinventing and implementing specific types of governance (both at the private and public levels), in order to reorient the current globalization process in a safer and much more efficient way. It is grounded mainly in three disciplines: the first is the economic sciences, given the book's concern with microeconomic regulation and economic regulation. The second, the business sciences field, allows for the discussion of strategies of relocalization of businesses, social governance and its impact on organizations, the management of information, and disclosure. The final area of study detailed in the book is the political and administrative field, as it sheds light on the public dimension of governance in the educational sector. In short, this book provides strategies for...
