Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Great Chant of Shamanism is a work written by a Master and artist of power. A delight of music and poetry following the trends of the enchantments and teachings of ancient times. He becomes a Master, healer and prominent spiritual leader amongst tribesmen and men all over the world. His art prides itself in a millenary inheritance, its realization is constantly evolving, because it flows from his Union with Arutam which he cares for with dedication. The Masters...
