Master Books. Hardcover. Book Condition: New. Hardcover. 96 pages. Dimensions: 11.1in. x 8.6in. x 0.6in. Study the relationship between living organisms and our place in Gods wondrous creation! Learn important words and concepts from different habitats around the world to mutual symbiosis as a product of the relational character of God. Designed with a multi-age level format especially for homeschool educational programs. Examine influential Scientists and their work, more fully understand practical aspects of stewardship, and investigate ecological connections in creation! The best-selling Wonders of Creation series adds a new biology-focused title that unveils the intricate nature of Gods world and the harmony that was broken by sin. This educational resource is color-coded with three educational levels in mind: 5th to 6th grades, 7th to 8th grades, and 9th through 11th grades, which can be utilized for the classroom, independent study, or homeschool setting. Whether used as part of our newly developed science curriculum or simply as a unique unit study, the book includes full-color photos, informative illustrations, and meaningful descriptions. The text encourages an understanding of a world designed, not as a series of random evolutionary accidents, but instead as a wondrous, well-designed system of life around the globe created to enrich and support one another. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
